About Us

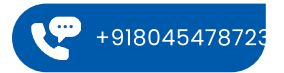

We, Autex Insulation Industries, are involved in designing and developing of quality-marked Fiberglass Products. We are proud to boast about our well-equipped production space in which products are manufactured by taking into use modern machines and quality-marked base materials. In and across Gujarat, we are famous as a quality-focused manufacturer because we pay huge focus over maintaining high quality standards in products. Understanding of the customers requirements for quality products assist us to source quality base materials, which work as a foundation to develop durable and qualitative products.

The big name we have managed to make in the competitive market structure is because of professional staff. Our qualified professionals are our biggest strength. They help us to come across in public, as one of the most reliable business entities. Great market knowledge and industrial experience help us to stand tall on expectations of customers. We earn high customers satisfaction because of our ability to undertake and complete orders of Epoxy Washer, Epoxy Sheet, FRP Grating, FRP Threaded Rod, etc. All the products are delivered after rigorous testing. This helps in winning lasting partnership of valued patrons.
